LESAN'S MISSION

LESAN (Laurentian English Services Advisory Network) is a network of English-speaking people and their organizations and associations that has as its mission to improve access to services and, in particular, health and social services in their language. It enables the English-speaking community to establish common goals and be in a position to speak with one voice to promote improved access to services in English.

LESAN is the umbrella group for all the English committees which are positioned throughout the Laurentians.

At this time there are five groups of partners:

- English Communities Committee (ECC) in the MRC des Laurentides
- LESAN des Pays-d'en-Haut in the MRC des Pays-d'en-Haut
- LESANA in the MRC d'Argenteuil
- Health Center Partnership Committee in Kanata
- LESAN Deux-Montagnes in the MRC Deux-Montagnes

Each LESAN committee depends on the dedication and support of its community volunteers.
